Pull back skin from bone exposed
Pull back skin from bone expo-o-o-o o-o-osed
Tie the eagle to my spine
Let it fly now
Let it fly now
Let it fly now
Let it fly now

There is nothing to fear
There is nothing to fear
There is nothing to fear
There is nothing to fear
There is nothing to fear

Let it fly now
Let it fly now
Let it fly now
Let it fly now
Let it fly now

Pull back skin from bone exposed
Pull back skin from bone expo-o-o-o o-o-osed
Tie the eagle to my spine
Let it fly now
Let it fly now
Let it fly now
Let it fly now

So thank you
Profiteer
Thank you
Profiteer
For the empty bed we have made

Now there's nothing here
Now there's nothing here
On the empty bed we have made

So thank you
Profiteer
So thank you

Profiteer

Tie the eagle to my spine
Let it fly now
Let it fly now
Let it fly now

There is nothing to fear [x14]

There is nothing to fear [x10]

There is nothing here at all
