Sticks and stones don't break my bones, you make
believe
It's lock and load, it's a dead end road to you
and me
You know what's to go, I'm strict for soul
I make believe
And I'm off the rent, I haven't spent, I
guarantee

So can you not go away
If just for one day
Uh-uh-uh
Impossible, possible way
How would you do know
How'd you do now?
Run away
War sounds in you
Don't throw your fortune away
And I can't get enough
Space, space, space
Get enough space

I'm pale and coy
I'm almost born, I make believe
I shimmy-shake, I wake the bed,
I'm over me
I lost the beat, I can not breathe
Don't follow me
You ush and shove, I've had enough,
Don't mess with me

So can you not go away
If just for one day
Uh-uh-uh
Impossible, á—ossible way
How would you do know
How'd you do now?
Run away
War sounds in you
Don't throw your fortune away
And I can't get enough
Space,

I can't Get enough space
Space
