Pull back skin from bone exposed  
Pull back skin from bone expo-o-o-o o-o-osed  
Tie the eagle to my spine  
Let it fly now  
Let it fly now  
Let it fly now  
Let it fly now

There is nothing to fear  
There is nothing to fear  
There is nothing to fear  
There is nothing to fear  
There is nothing to fear

Let it fly now  
Let it fly now  
Let it fly now  
Let it fly now  
Let it fly now

Pull back skin from bone exposed  
Pull back skin from bone expo-o-o-o o-o-osed  
Tie the eagle to my spine  
Let it fly now  
Let it fly now  
Let it fly now  
Let it fly now

So thank you  
Profiteer  
Thank you  
Profiteer  
For the empty bed we have made

Now there's nothing here  
Now there's nothing here  
On the empty bed we have made

So thank you  
Profiteer  
So thank you  
Profiteer

Tie the eagle to my spine  
Let it fly now  
Let it fly now  
Let it fly now

There is nothing to fear [x14]

There is nothing to fear [x10]

There is nothing here at all
