Divided,
On the other side you're too far gone,
You have nothing to lose,
Fear your choice can't mend unconditional love
Risen Christ from the dead.
His blood.

There is no one righteous, not even one.
No one who understands, no one who seeks God.
All have turned away,
They have together become worthless,
No one who does good,

Not even one.

Their throats are open graves,
Their tongues practice deceit,
The poison of vipers is on their lips.
The truth they do not seek.
Mouths full of cursing and bitterness,
Ruin and misery mark their ways,
The way of peace they do not know.

There is no one who fears God
