"Open My Eyes"

No more standing all alone so much that I have found.
Love in my eyes that's all that you will see but why is it
only me?

True life given on the cross yet we continue to be lost.

Can't you see it's in our grasp?

Our faith is where we'll make it last.

Praying God take my life.

My heart opened, forgive me.

The weight that once forced me down now I open my
eyes so I can see.

And I'm on the edge but I'm falling off.

Searching for truth and I'll give it all I've got.

Open my eyes.
