Watch out, you might get what you're after
Cool baby, you're strange but not a stranger
I'm an ordinary girl and I'm burnin' down the house

Hold tight, wait till this party's over
Hold tight, well we're gonna be in for some nasty
weather
There has got to be a way and we're burnin' down the
house

Here's your ticket, pack your bags, it's time for goin'
overboard
Transportation is here
Close enough but we're not too far, bet you're
wonderin' where you are
Fight fire with fire

All wet, and you might need a raincoat
Shake down, my dreams are walkin' in broad daylight
365 degrees and we're burnin' down the house

My house, out of the ordinary
That's right, I don't wanna really hurt nobody
Some things sure sweep me off my feet
And we're burnin down the house

Watch out, you might get what you're after
Cool baby, you're strange but not a stranger
I'm an ordinary girl and I'm burnin' down the house
