Bonnie Raitt-Deep Water
(John Capek/Mare Jordon)

There are angels singing low inside my head
Cool tango blue and samba red
I want to scratch your name upon my wall
Cause I'm drowning here beneath love's waterfall

Deep water
Deep water

Baby you're love's got a hold on me
You row my boat right out to the sea
See the woman inside the girl
Dancing on the roof of the invisible world

We are walking like the waves beside the sea
There are oceans in my eyes that you can't see
And my arms reach out for you into the dark
I feel your skin where my nails left their mark

Deep water
Deep water

Baby you're love's got a hold on me
You row my boat right out to the sea
See the woman inside the girl
Dancing on the roof of the invisible world

Souls alike
Hands alike

Baby you're love's got a hold on me
You row my boat right out to the sea
See the woman inside the girl
Dancing on the roof of the invisible world

Baby you're love's got a hold on me
You row my boat right out to the sea
See the woman inside the girl
Dancing on the roof of the invisible world

Souls alike
Hands alike
