"Fearless Love"

Come my love
Come bravely to me
Let your heart be still
For our time
Has come my tender one
To be free of will
And fly
Blind on fearless love
Let them wild winds blow
We'll shine
On all we're fearful of
Then we'll let it go
Let it go
Skippin' stones
Across the great unknown
Safe at water's edge
Don't look down, baby
We're gonna leave this losin' town
(and) leap out from the ledge
And fly
Blind on fearless love
Let them wild winds blow
We'll shine
On all we're fearful of
Then we'll let it go
Let it go
