I don't belong to anyone.
There's no one who'll take care of me.
It's kind of easy having fun
when you don't belong to anyone.

Time has come to lay childish things.
To the dirt, see what age brings.
If I follow the song I hear
Will another come near?

For a moment I thought I had
Someone wanting to call me dad.
Then a storm came from a cloudy sky
Fire was doused from on high.

I don't belong to anyone.
There's no one who'll lay claim on me.
It's kind of easy to have your fun
When you don't belong to anyone.

It's a truth that when sun is high
So my feelings give love a try.
Every nights when the sun descends
I start doubting again.

There's a body just for me
Lying somewhere curled lonely.
When I come to her life one day
Will she be hidden away?

I don't belong to anyone.
There's no one who'll take care of me.
It's kind of easy to have some fun
When you don't belong to anyone.
