I know you don't love me no more, no more
No, no more
If I had to be somebody else for loving you more
Lovin' you more

There ain't no use in you cryin' now
After you have put me down
And if you don't want me no more baby
There ain't no use in you hanging around

I know you don't love me no more, no more
No, no more
And I don't wanna be hurt any more
Any more

Ain't no use in you cryin' now
After you have put me down
And if you don't want me no more, baby
There ain't no use in you hanging 'round

I know you don't love me no more, no more
No, no more
And I don't wanna be hurt any more
Any more

Ain't no use in you cryin' now
After you have put me down
And if you don't want me no more, baby
There ain't no use in you hanging 'round

I know, I know, I know
I know, baby

I know, I know baby
Can't fool me
I know it's time
I got you figured out, baby
Oh, baby, you know what I like
