Well, you're my friend, that's what you told me  
And can you see what's inside of me  
Many times we've been out drinking  
And many times we've shared our thoughts  
But did you ever, ever notice, the kind of thoughts I got  
Well you know I have a love, a love for everyone I know  
And you know I have a drive to live I won't let go  
But can you see it's opposition, comes arising up  
sometimes  
That it's dreadful antiposition, comes blacking in my  
mind

And then I see a darkness  
And then I see a darkness  
And then I see a darkness  
And then I see a darkness  
And did you know how much I love you  
Is a hope that somehow you, you  
Can save me from this darkness

Well I hope that someday buddy  
We have peace in our lives  
Together or apart  
Alone or with our wives  
And we can stop our whoring  
And pull the smiles inside  
And light it up forever  
And never go to sleep  
My best unbeaten brother  
This isn't all I see

Oh no, I see a darkness  
Oh no, I see a darkness  
Oh no, I see a darkness  
Oh no, I see a darkness  
And did you know how much I love you  
Is a hope that somehow you  
Can save me from this darkness
