When i go  
Follow my brother  
He's got the blood of father and mother  
And he has a spirit that's even mightier

And if i hunger,  
See that i do  
Bring me water,  
Bring me food  
And fill me up with things that are true,  
And very good

And if you want to,  
Touch my wrist  
With the hands  
That i have kissed  
And hold my cuffs  
So strong in your fist

See now, watch  
How it is i am  
Watch what i do,  
And how i stand  
And stand down boys  
For we are grand  
Right now we are

I take my lessons  
From what's poor  
That's what God  
Has put me for  
Wealth is death,  
Of that i'm sure  
Farewell
