Bonnie Raitt-Love On One Condition
(Jon Cleary)

I might forgive, but I won't forget
Believe me, baby
You swear you changed your ways
You ain't proved it yet

Well my friends try and tell me
Say that I must be mad
If I'm gonna take you back
After the pain I've had
Well, I explain my position
That I made my decision
I'll grant you love on one condition
Love on one condition

Do me right, don't do me wrong
Come home every night, no more carryin' on
I explain my position
I'll grant you love on one condition

Well my friends try and tell me
Say that I must be mad
If I'm gonna take you back
After the pain I've had
Well, I explain my position
That I made my decision
I'll grant you love on one condition
Love on one condition
