I've been with you for a fairly long time  
May I call you, may I call you, may I call you mine?  
And you are near and been with me  
May it always, may it always, may it always be

Please don't leave my side, remember I love you  
None of what I have done wrong was really done  
against you  
If you love me and I'm weak, then weaker you must  
love me more  
To reinforce what's all so strong and all the love we  
have in store

By example you showed me, livings alright  
Stay here with me, stay here with me, stay with me  
tonight  
And come with me when I go to the bedroom  
And we'll play bride, and we'll play bride and we'll play  
bride and groom  
If you had not been born you know  
What would I? What would I be then?  
I would not have strength to grow  
And be counted, and be counted among men

Please don't leave my side, remember I love you  
None of what I have done wrong was really done  
against you  
If you love me and I'm weak, then weaker you must  
love me more  
To reinforce what's all so strong and all the love we  
have in store

And in the morning we'll wrestle and ruin our stomachs  
with coffee  
Won't we be, won't we be, won't be happy?  
We will rise in anger, love and ardor  
Shining, shining, shimmering in love's armor
