Gonna get into it  
Down where it's tangled and dark  
Way on into it, Baby  
Down where your fears are parked.  
Gonna tell the truth about it,  
Honey that's the hardest part.  
When we get through it, baby  
You're gonna give up your heart.

Gonna get into it, Baby  
Gonna give them demons a call  
Way on into it Baby  
Gonna find out once and for all  
Gonna get a little risky, Baby  
Honey that's my favorite part  
When we get through with it, Baby  
We're gonna give up our hearts

Well there's no turnin back,  
No turnin back, this time  
Well there's no turnin back,  
No turnin back-

No use in runin  
It's always the same  
You can count on the panic  
It's the faces that change  
We might have a change  
To get this love off the block  
So take a deep breath  
Let's look under that rock

Repeat first verse
