"Three Time Loser"

How many teardrops are gonna fall tonight?
How many hartaches must a woman have in her life
I lost a lover, lost my friend, I'm through with love
I just can't win
I'm a three time loser, I'm a three time loser

How many hours of your love I'm gonna wait
How many heartaches do you really think I'm gonna set
and take
I lost a lover, lost my friend, I'm through with love
I just can't win
I'm a three time loser, I'm a three time loser

Instrumental Repeat 2nd Verse

I lost it once, lost it twice
Will you might have been good baby but you just
weren't worth the price

Instrumental

I'm a three time loser, three time loser (3 times)
And I don't have to take it anymore END
