First the tide rushes in  
Plants a kiss on the shore  
Then goes out to sea  
And the sea is very still once more

So I rush to your side  
Like the oncoming tide  
With one burning thought:  
Will your arms open wide?

At last we're face to face  
And as we kiss through an embrace  
I can tell, I can feel you are loved  
You are really, really mine  
In the rain, in the dark, in the sun

Like the tide at its ebb  
I'm at peace in the web  
Of your heart's arms  
Of your arms
