I don't have to beg you to hold me,
somebody else will.
You don't have to love me when I want it,
no, 'cause somebody else will.
Some kind friends say you don't need it -
but all the time they're trying to get it.
Look out
your good thing is about to come to an end,
your real good thing is about to come to an end.

All those nights I watched the four walls
I did not have to watch them all alone
when other men said they wanted me, baby,
I didn't have to tell them I was your very own
You have all the love that I've got
even ice melts to water and gets hot - look out -
your good thing is about to come to an end,
your real good thing its about to end
Getting myself back together
is gonna be a big problem I know,
but when the right man says he wants me, Boy,
you can bet I won't tell him no
'Cause your real good thing is about to come to an end
Your real good thing
your good thing Baby
good thing
Your good thing
Your good thing Baby
Yeah, Yeah, Yeah, Yeah, Yeah
