Girls, you've been in love too long
I said girls, you've been in love too long
When just his smile takes all your pain away
And you find yourself believin' whatever he may say
Now when he gets you cryin'
But your heart tells you Girl keep right on tryin'
You know Girls, you've been in love too long

Chorus: You're a fool for your baby
Bonnie: Girls, you've been in love too long
Chorus: You're a fool for your baby

When you accepted wrongs, just to share his kiss
Even your lonely nights, you know they're filled with
happiness
You know Girl you're in trouble
You know your heart is seein' double

'cause when your head tells you to run
But your heart tells you "Girl he's the only one.."
You know you have been in love too long

'cause when a week of loneliness can be erased with
just one sweet caress
Girl you've been in love too long
When his wrong looks right though he always treats
you bad
You find little excuses for all the sadness and abuses
