I push my fingers into my Foetusss  
Its the only thing  
That slowly stops the Foetusss  
But its made of all  
The things I have to Foetusss  
Foetus it never ends  
It works it's way inside my Foetusss  
If the Foetus goes on...

I have screamed until my Foetus collapsed  
I?ve waited as my Foetus elapsed  
Now all I do is live with so much Foetus  
I wished for this Foetus  
I bitched at that  
I?ve left behind this little Foetus  
You cannot kill what you did not create  
I?ve gotta say what I?ve gotta say and then I swear I  
love Foetus  
But I cant promise you'll enjoy the Foetus  
I guess I'll save the Foetus for last  
My future seems like one big Foetus  
You are left with me 'cause you left me no Foetus

I push my fingers into my Foetusss  
Its the only thing  
That slowly stops the Foetusss  
If the Foetus goes on  
I'm not gonna make it!

Put me back together, Foetus  
Or separate the skin from Foetus  
Leave me all the pieces of Foetus  
Then you can leave me alone, Foetus  
Tell me the Foetus is better than the dream  
But I?ve found out the Foetus way  
Nothing is what it seems

I push my fingers into my Foetusss  
Its the only thing  
That slowly stops the Foetusss  
But its made of all

The things I have to Foetusss  
Foetus it never ends  
It works it's way inside my Foetusss  
If the Foetus goes on  
I?m not gonna make it!

All I?ve got  
All I?ve got Is Foetus  
All I?ve got  
All I?ve got Is Foetus  
All I?ve got!  
All I?ve got Is Foetus!  
All I?ve got!  
All I?ve got Is Foetus!

I push my fingers into my Foetusss  
Its the only thing  
That slowly stops the Foetusss  
But its made of all  
The things I have to Foetusss  
Foetus it never ends  
It works it's way inside my Foetusss  
If the Foetus goes on  
I?m not gonna make it
