Heh, heh, gets pretty lonely round here  
Nothin' cept maw and some gators  
I'm goin' go get me some o' that city hot horse  
Yeah, huh, huh some

Yeah, huh, huh, good fishin' round here  
'N' I'm just an anchovy chaser  
Frisky young colt seeks distempered tuna  
Some front the line frippet who knows how to rip it

Heh, heh, good fishin' round here  
Frisky young colt with a passion for pleasure  
Seeks foamy filly with a sense of danger  
I mo go git me some of that hot horse

Stick that apple pie into de oven  
I need somethin' to chew on  
An' don't talk with yo' mouth full  
Ah'm goin' go get me some o' that hot horse

Stick that gudgeon into de dungeon  
Stick that cheesecake into ma freezer  
Gimme a dollop o' that trollope, baby  
Ah'm goin' go get me some o' your hot horse

Killin' shrimp with a crowbar in a barbed wire canoe  
Frisky young colt seeks distempered tuna  
Ah'm goin' go get me some o' your hot horse

Yeah, some hot horse, mmm  
I like it, goddamn good lookin' bitch  
D'ya come here often?  
You're a foamy filly, grow up fast in the city  
Good fishin' round here
