SUCK ON THIS, SQUAREHEAD
I hear you got a six inch guarantee of unilateral
security
Well me and Stalin, we just signed a mutual non-
aggression pact
I'm gonna put CASE WHITE into effect
Prepare yourself for a CONFLICT baby
I'll cook you a stew you'll choke on
I tore up the VERSAILLES TREATY
Today is the FIRST of SEPTEMBER
See you at your graveside, baby
I'll meet you in Poland, baby
I want to PUMP you FULL of BURNING LEAD
Cause six million casualties
Well I gave you a lot of slack - but all I get from you is
FLAK
I'm gonna put CASE WHITE into effect
Prepare yourself for a conflict baby
Passing information on to HIGH COMMAND
We have ways of making you TALK
Today is the FIRST of SEPTEMBER
See you at your FUNERAL, baby
I'll meet you in Poland, baby
I hear you got a six inch guarantee of unilateral
security
Well me and Stalin, we just signed a mutual non-
aggression pact
I'm gonna put CASE WHITE into effect
Prepare yourself for a conflict, baby
I'll cook you a stew you'll choke on
I tore up the VERSAILLES TREATY
TODAY IS THE FIRST OF SEPTEMBER
See you at your graveside, baby
I'LL MEET YOU IN POLAND, BABY
SEE YOU AT YOUR GRAVESIDE, BABY
I'LL MEET YOU IN POLAND, BABY
