Woke up in a bed of vomit
I think I hate myself
Woke up in a bed of vomit
I lost my pink wig and I'm in hell

Don't tell me
Don't tell me
What I did last night
Don't tell me
Don't tell me
What I said last night 'cause
Everything's not alright

Woke up in a bed of vomit
My head hurts, I wanna die
Woke up in a bed of vomit
The low just isn't worth the high

Don't tell me
Don't tell me
What I did last night
Don't tell me
Don't tell me
What I said last night 'cause
Everything's not alright

Woke up in a bed of vomit
I think I hate myself
Woke up in a bed of vomit
I lost my pink wig and I'm in hell

Don't tell me
Don't tell me
What I did last night
Don't tell me
Don't tell me
What I said last night

Don't tell me
Don't tell me
What I did last night

Don't tell me
Don't tell me
What I said last night 'cause
Everything's not alright
