The grass is high and the work is done
Send the sun to his sleeping place
Now we'll dance and make love beneath
The Serengeti moon
The Gods are laughing their twinkling eyes
Shine on us in the clear night sky
Take my hand let us walk beneath
The Serengeti moon
Oh, let the music play
(Mamaland melodie yalla) [listen to the melody]
Fill your heart with joy and mirth
(Thabishing pelo tsa lona) [let your hearts rejoice]
Oh, let the rain clouds come
(Mamaland melodie yalla)
And spill their life upon this earth
Oh, let the music play
(Mamaland melodie yalla) [listen to the melody]
Fill your heart with joy and mirth
(Thabishing pelo tsa lona) [let your hearts rejoice]
Oh, let the rain clouds come
(Mamaland melodie yalla)
And spill their life upon this earth
The grass is high and the work is done
Send the sun to his sleeping place
Now we'll dance and make love beneath
The Serengeti moon
The Serengeti moon
The Serengeti moon
