She was lost  
And I thought I was found  
Even so I tried  
To bring her in...

She was young  
And I had just begun  
To learn that even  
Losing men can win.

We went the long way  
We went the long way  
We went the long way...  
Or maybe just the wrong way  
I'll never know.

Overnight  
We were shown the light  
Neither of us knew  
To look away...  
So we burned  
And far too late we learned  
That lifetimes can't be lived out  
In a day.

We went the long way  
We went the long way  
We went the long way...  
Or maybe just the wrong way  
I'll never know.

So, goodbye  
At least me made the try  
Something can be said for  
love that's pure.  
If and when  
We ever try again  
One thing will be known to us  
For sure...

We'll go the long way

We'll go the long way  
We'll go the long way...  
Or maybe just the wrong way  
I'll never know.
