Look...what you're doing
Baby what in heaven are you thinking of?
Look...what you're doing
Will you throw away such sweet, sweet love,
Will you throw away such sweet, sweet love.
You used to say that you would always stay
But now you say you want to find your freedom.
But are the promises of being free
Worth the sacrifice of all you had with me.
You know I've always tried the best I could
To prove my love to you and make you happy
And once upon a time it felt so good
What has happened now to make you want to fly.
Do you want to see me cry?
Chorus
Look...what you're doing
Baby what in heaven are you thinking of?
Look...what you're doing
Will you throw away such sweet, sweet love,
Will you throw away such sweet, sweet love.
I ain't the fool that you believe I am
You tell your lies but
I can see right through them.
Cause in your eyes I see another man
But he will never love you like you know I can.
Oh, girl, you know I can.
(You better open up your eyes and)
(Repeat Chorus)
