Come into my dream  
Let me show you where I've been  
It's you and me I've seen  
Let me tell you what I mean

Come into my dream  
Let me show you where I've been  
It's you and me I've seen  
Let me tell you what I mean

In the deep blue sky  
There were rainbows in the night  
You and me could fly  
And the ocean shined so bright

Come into my dream  
Let me show you where I've been  
It's you and me I've seen  
Let me tell you what I mean

Come into my dream  
Let me show you where I've been  
It's you and me I've seen  
Let me tell you what I mean

In the deep blue sky  
There were rainbows in the night  
You and me could fly  
And the ocean shined so bright
