Come into my dream
Let me show you where I've been
It's you and me I've seen
Let me tell you what I mean

Come into my dream
Let me show you where I've been
It's you and me I've seen
Let me tell you what I mean

In the deep blue sky
There were rainbows in the night
You and me could fly
And the ocean shined so bright

Come into my dream
Let me show you where I've been
It's you and me I've seen
Let me tell you what I mean

Come into my dream
Let me show you where I've been
It's you and me I've seen
Let me tell you what I mean

In the deep blue sky
There were rainbows in the night
You and me could fly
And the ocean shined so bright
