Oh, what a night, sure had a real good time
Oh, what a night, sure had a real good time
You drink whiskey, I'll drink cheap red wine

My head started spinnin', eyes began to roll
My head started spinnin', eyes began to roll
Crazy fool, shoulda listened to what I've been told

But I'm rollin' all night long
Rollin' all night long, rollin' all night long
Just another drink and I'll be gone, gone, gone

And look at old Charlie standin' by a dollar bill
Look at old Charlie, standin' by a dollar bill
It may look good but it sure ain't no cheap thrill

So I'm rollin' all night long
Rollin' all night long, rollin' all night long
Just another drink and I'll be gone, gone, gone
Well, I'm gone

My head started spinnin', eyes began to roll
My head started spinnin', eyes began to roll

Shouldn't do that, shouldn't do that
Crazy fool, I drank too much alcohol, that's alright

Now I'm rollin' all night long
Rollin' all night long, rollin' all night long
One more drink and I'll be gone, oh, gone
Gone, yeah

Whoo, rollin', whoo
Alright, John Lee Hooker

Yeah, I got drunk last night
And the night before
If I get me some wine
Gonna get drunk some more

I been rollin', rollin', rollin' all night long
I said all night, all night, all night, all night

Rollin' all night long, yeah, whoo

Oh, what a night, sure had a real good time

Oh, what a night, sure had a real good time

You drink your whiskey, I'll drink my red wine, yeah

Well, I'm rollin' all night long

Rollin' all night long, rollin' all night long

Just another drink and I'll be gone, gone, gone, gone

Whoa, I'm gone
