Lookin' for a way
To earn some easy cash
So I can lay back and watch it roll in
I wanna flash my roll
I want to see
That good old eagle grin

Lonely man needs
A high-rollin' woman
That's what I had for sure
But she took a ride
Left me dissatisfied
Ain't gonna say no more

Easy money
Can't get it out of my mind
Easy money
Ain't it hard to find

Cruisin' along on a downtown avenue
I'm lonely but the night is young
I got money to burn
I had to work to earn
It'll soon be gone
I found the nightclub, struttin' in
Paid the man a dollar
Eased myself into a place at the bar
I drank a double-shot
Put me in the slot
I'm feeling good so far

Easy money
Can't get it out of my mind
Easy money
Ain't it hard to find
