I've made up my mind and here's my decision
I'd like to share with you
All of my secrets of my religion
I want you to see, oh, how sweet I could be

Oh, I just got to get to know you
I just got to get to know you

You've got what it takes, whoa there's no denyin'
I see in you a dream come true
Lord, you're life to the dying
I want you to see, oh, how sweet I could be

Oh, I just got to get to know you
I just got to get to know you

In my life there's an empty slot
Oh, now I believe you can fill that spot

I just got to get to know you
I just got to get to know you

Blessed are the days I spent with you

Realizin' precious moments we never knew
Right now I'm just imagining this thing
But would you believe the joy it brings

I just got to get to know you
I just got to get to know you

I'm gonna get you and hold you tight
I want to hold you baby, in the middle of the night
Because I need, I need you baby, I need, I need you by
my side
I need, I need, I need you to keep me satisfied

Gonna hold you, I'm gonna to squeeze
I'm going to love you
I've made, I've made up my mind
I said I've made, I've made up my mind

You got it, you got what it takes
You got, you got what it takes
I see, I see in you a dream
I see, a dream come true
