Got my home in my hand

Thumbin' a ride to Geneva  
Standing in the fallin' rain  
Getting dirty looks  
Wish I could've took a train

Your friends said, "Why did you leave her?"  
I had to make it on my own  
Now I'm standin' on the highway  
Tryin' to find my way alone

Well, I've got my home in my hand  
Travelin' across the land  
Tryin' to earn a livin'  
Givin' everything I can

It's gettin' so hard to remember  
Even harder to forget  
Well, if I don't find a way  
How am I gonna pay my debt?

Well, I've got my home in my hand  
Travelin' across the land  
Tryin' to earn a livin'  
Givin' everything I can

Well, I've got my home in my hand  
Travelin' across the land  
Tryin' to earn a livin'  
Givin' everything I can  
Yeah, I've got my home in my hand  
Travelin' across the land  
Tryin' to earn a livin'  
Givin' everything I can

Tryin' to earn a livin'  
Givin' everything I can

Home in my hand, home in my hand  
Home in my hand, home in my hand  
Yeah, I've got my home in my hand

Well, I've got my home in my hand

Yeah, I've got my home in my hand  
Well, I've got my home in my hand  
Yeah, I've got my home in my hand  
Yeah, I've got my home, home in my hand

Well, you know I'm travelin' across the land  
Yeah, I've got my home in my hand

Yeah, I've got my home in my hand  
Well, I've got my home in my hand  
Yeah, I've got my home in my hand  
Well, I've got my home in my hand

Yes, I've got my home in my hand  
Home in my hand in my hand  
Home in my hand  
Yeah, I've got my home in my hand
