Live while you're livin', 'cause you know what they said,  
Don't matter how long you live, you're a long time  
dead.

I said no use to worry, no use to fret,  
I'd like a million dollars but I ain't gonna bet.  
I'm alright tonight, and I'll do just what I want.

Tell everybody in the neighborhood,  
That I want to party, want to party good.  
And I don't care what the people don't allow,  
I'm gonna have a good time any old how.  
I'm alright tonight, and I do just what I want. Oww!

{Erik - Solo}  
Whoo!

Live while you're livin', 'cause you know what they said,  
Don't matter how long you live, you're a long time  
dead.

I said no use to worry, no use to fret,  
I'd like a million dollars but I ain't gonna get.  
I'm alright tonight, and I do just what I want ....

{Dave - Solo}

When I hold you in my arms,  
Love can't do no wrong,  
And when I hold you tight,  
Love gonna do me right.

(Tell everybody in the neighborhood!)  
(I want to party, want to party good!)  
And I don't care what the people don't allow,  
I'm gonna have a good time any old how.  
I'm alright tonight, and I do just what I want.  
I'm alright tonight, and I do just what I want.  
I'm alroit tonoit, and I do just what I want.
