Oh, yeah, alright

I had myself a good job in the city
Pushin' a pen and talkin' on the phone
The money was good but the work was such a big drag
I thought that my brain would turn to stone

But I ain't gonna work no more
I've got better things to do, I do
I need a seven day weekend
Spend some time with you

They told me if I stayed on for a lifetime
I'd be an officer manager some day
But my heart was never in the right place
I only went there for the pay

But I ain't gonna work no more
I've got better things to do
I need a seven day weekend
Spend some time with you, oh, yeah

Well, on Friday, the weekend rolls around
Saturday, I'm gonna rock this town
On Sunday, won't have to worry no more
'Cause Monday ain't so bad when there's no work in
store

I guess the money comes in handy
It helps me pay the bills and rent
But if I stay too long on this job
I'll wonder where my time all went

But I ain't gonna work no more
I've got better things to do, doo, bah, doo
I need a seven day weekend
Spend some time with you, oh, come on

Whoo

Well, Tuesday, I'll hang out on the beach
Wednesday, this boy cannot be reached

Thursday, I'll stand out in the rain
When Friday comes, I'll start all over again

But I ain't gonna work no more
I've got better things to do, you know I do
I need a seven day weekend
Spend some time with you

I need a seven day weekend
Spend some time with you
I need a seven day weekend
Spend some time with you, oh, yeah, with you
