shake your money maker (5x)
and then
(2x)

I got a girl who lives up on the hill (2x)
says she gonna love me
but I don't believe she will

you gotta shake your money maker (5x)
and then

I got a girl and she just won't be true (2x)
she's locked to the bridge
she won't do a thing I tell her to do

she won't shake her money maker
won't shake her money maker
she wanna roll her activator
she won't shake her money maker (2x)
she won't
