As nematau tokiu kaip as
As nematau tokiu kaip tu
As uzmirsau senas dainas
As nerandu nauju spalvu
As niekada nenoriu mirt
As niekada nedrisiu verkt
As visada kylau aukstyn
As visada bandziau laimet
As visada maciau tave
As visada aukojaus tau
As visada tikejau tuo
Tu leidai man uzmirst tave
Tu leidai man numirt greiciau
As niekuomet negimsiu vel
As visada kazka zaidziau
As negalvojau cia iklimpt
As negalvojau likt stovet
As negalvojau nusivilt
As negalvojau isprotet
