Here it is
Why are you waiting for?
What you were looking for
That you find, that you find right here?

Here it is
Why are you waiting for?
What you were looking for
That you find, that you find right here?

Here it is
Why are you waiting for?
What you were looking for
That you find, that you find right here?

Here it is
Why are you waiting for?
What you were looking for
That you find, that you find right here?

You won't get very far, you won't get far
You won't get very far, you won't get far
You won't get very far, you won't get far
You won't get very far, you won't get far
