Love came and hit me  
Straight on the lips  
The longer we're kissin'  
The better it gets, and baby that's all right  
You got me standing beside myself  
You know it ain't like me  
It's like I'm somebody else  
But baby that's all right

You're not the man I was lookin' for  
You're every bit of him plus a whole lot more  
Now that I got you, it feels so good  
I donâ€™t wanna let you go

I plead guilty, babe, of this terrible crime  
You been lovin' me all of this time  
I must have been blind  
What's gonna happen?  
What'll I do?  
Whatever it is, I wanna do it with you  
I feel just fine

You're not the man I was lookin' for  
You're every bit of him plus a whole lot more  
Now that I got you babe, it feels so good  
I donâ€™t wanna let you go

Ain't it peculiar how loves comes about?  
When you're not lookin', you'd better look out!

You're not the man I was lookin' for  
You're every bit of him plus a whole lot more  
Feels so good  
Now that I got you to myself  
I'm gonna keep you for myself  
Now that I got you  
I donâ€™t wanna let you go  
Won't let you go

You're not the man I was looking for  
You're every bit of him plus a whole lot more  
Now that I got you babe, it feels so good

I donâ€™t wanna let you go  
Now that I got you babe, I donâ€™t wanna let you go
