One
One, two
One, two, three

When I was a girl
My favorite thing in the whole wide world
Was to see a field
And run for no reason

And off I'd go
No one behind only earth below
Just a patch of green
Green as the season

Don't ask why? Your feet just fly
Green and sky is all that you're needin'
Why ask why? When all that's true
The sky is blue, blue for no reason

Now that things have changed
Every thing's carefully pre-arranged
Not a thing gets done
Except for a reason

Now I'm overrun
I'm startin' to feel like a hired gun
Where's the chance, where's the fun
Where is the pleasin'?

Try and try, you moan and sigh
You just can't find a thing to believe in
Why ask why? When all that's true
The sky is blue, blue for no reason

Try and try, you moan and sigh
You just can't find a love to believe in
Why ask why? When all that's true
You're just blue, blue for no reason

Why ask why? Your feet just fly
The sky is blue, blue for no reason

Blue, blue for no reason
