All I ever wanted was a love to be true
More than just enough to get me by
I want a love to see me through, yeah

I don't need another well spent night
Another clever sideways glance
I wanna look my baby in the eye
And know there's nothin' left to chance

Well, if you're tired of bein' lonely
Beat up and confused
Darlin', there is only
One thing you can do

Come to me
Be the one who's waiting
Come to me
Well, I got what you need

Won't you come to me
There won't be no hesitating, baby
I know what you mean to me

Well, I'm gonna hold out for the one I want
Ain't gonna settle for less
'Cause the kind of love I'm lookin' for, baby
You can't fake, you can't finesse

I ain't lookin' for the kind of man, baby
Who can't stand a little shaky ground
He'll give me fire and tenderness
And got the guts to stick around

So if you're tired of bein' lonely
Beat up and confused
Darlin', there is only
One thing you can

Won't you come
Won't you come
Won't you come

I got what you want now, baby
Ooh, and [Incomprehensible] got what you need

Well, if you're tired of being lonely
Beat up and confused
Darlin', there is only
One thing you can do

Won't you come
Be the one who's waiting
Come to me
Ooh, now I got what you need

Won't you come to me
(Come)
There won't be no hesitating, babe
Won't you come to me, yeah

Well, and I got what you want now, baby
(Won't you come)
I got what you need
(Won't you come)
Just bring it on home to me
(Won't you come)

Won't you come to me
Bring it on home to me
(Won't you come)
Bring your sweet love in all home
(Won't you come)
