Something in your eyes
Makes me want to lose myself
Makes me want to lose myself
In your arms

There's something in your voice
Makes my heart beat fast
Hope this feeling lasts
The rest of my life

If you knew how lonely
My life has been
And how long
I've been so alone

If you knew how I wanted
Someone to come along
And change my life
The way you've done

Feels like home to me
Feels like home to me
Feels like I'm all the way
Back where I come from

Feels like home to me
Feels like home to me
Feels like I'm all the way
Back where I belong

A window breaks
Down a long dark street
And a siren wails
In the night

But I'm alright
'Cause I have you here with me
And I can almost see
Through the dark theres light

If you knew how much
This moment means to me

And how long I've waited
For your touch

If you knew how happy
You are making me
I've never though I'd
Love anyone so much

Feels like home to me
Feels like home to me
Feels like I'm all the way
Back where I come from

Feels like home to me
Feels like home to me
Feels like I'm all the way
back where I belong

Feels like I'm all the way
Back where I belong
