Hey, hey, hey, hey, hey

Midnight, I'm wound up tight  
Slowly comin' down in the daytime  
I been lyin' low from work  
Hangin' over from the hurt from you babe  
But I'm gonna suffer through the strain  
Till I get a better thing with you, darlin', me and you

So hard to see so far ahead  
When I, I can't seem to drag myself out of bed  
I gotta find me a good man, a good man, a real good  
man

You better stop, think about what you're saying  
I was seriously dedicated in the game of playin'  
You made ten thousand promises you couldn't keep  
I forgave you when you lied, pleaded and weeped  
I put up with your disrespect and neglect  
It was an experience, I'll never forget

Till now, everything I did was wrong, sorry, baby  
Today we're free but we live alone  
Gotta find a good woman, good woman, good woman,  
yeah, yeah, yeah

Hey, hey, hey, hey, hey

It was twelve o'clock in the midnight hour  
I heard the door slam and then the shower  
When I got up, you were already gone  
I slipped and fell in the water you left on

I gotta find a good woman  
Gonna find a good man  
I gotta find a good woman  
I'm gonna find a good man  
I gotta find a good woman  
I'm a find a good man  
I gotta find a good woman  
Ooh baby, find a good man

Hey, hey, hey, hey, hey
