Hey, shut up, don't lie to me
You think I'm blind but I've got eyes to see
Hey, mister, how do you do?
Oh, pardon me, I thought I knew you

Would you stand back baby
'Cause I want to get a better look
The big man who couldn't handle
The little bit of love you took

Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh oh

Oh darling, I love you so
I told you yes and then you told me no
Baby, how can you say
You should be free and I should pay and pay

And you talk and talk
About you and what you need
But sooner or later
Your love is gonna make me bleed

Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh oh

Talk on, talk on
But love is what you need
And sooner or later
That love is gonna make you bleed

Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart
But don't you run away, baby

Have a heart

Hey hey, have a heart

Please

Hey hey, have a heart
