I feel the same (the bonnie raitt collection)

Say goodbye,
Well I know it's true.
I know you're leaving me but i,
I'm leaving too.
You won't forget me,
Or the sound of my name.
Please believe me,
I feel the same.

It seems so empty now.
Clo-ose the door.
Ain't it hard to believe that you ever,
Lived this way before.
All that nothing,
Causes all that pain.
Please believe me,
I feel the same.

(guitar break)

Well this broken soul,
That I know a, a heart that's breakin'.
You can't make it whole
Until you know what has been taken.
And all those pieces,
Uh that you find them all your own.
(guitar fills in the missing tag lyric)

I said goodbye.
Now you know it's true.
You said you're leaving me, but honey i,
I'm leaving too.
You won't forget me
Or the sound of my name.
Please believe me,
I feel the same.
Please believe me,
I feel the same.

(guitar break, and fade)
