You took my love and ran away
What did you expect me to say
I gave you everything I could
but you weren't giving up, baby
What you should

I Sho do...Need You
I Sho Do...Want You

I'm in need of what you've got
It makes my blood boiling hot
You told me baby, A long time ago
That you'd never, ever leave me
Never, no more

I Sho Do...Need You
I Sho Do...Want You
I Sho Do...Wish For You
I Sho Do...Walk the Floor All Night Long

When you see me, baby standing alone
Come and help me baby, Cause I'm out on my own
You see it ain't easy in the streets
But what you've got baby, could help me to my feet

I Sho Do...Need You
I Sho Do...Want You
I Sho Do...Wish For You
I Sho Do...Walk the Floor All
Night Long
