That was then and this is now  
I found my way back and here somehow  
Knew you'd have to let me go  
I told you once, I told you so

Take me down  
You can hold me but you can't hold what's within  
Pull me 'round  
Push me to the limit, maybe I may bend

But I know where I'm not going  
I will not be broken  
I will not be broken  
I will not be

Someone other than who I am  
I will fight to make my stand  
'Cause what is livin' if I can't live free  
What is freedom if I can't be me

Take me down  
You can hold me but you can't hold what's within  
Pull me 'round  
Push me to the limit, maybe I may bend

But I know where I'm not going  
I will not be broken  
I will not be broken

I won't let you near it  
I will let my spirit fly  
Fly high  
Oh, take me down

Take me down  
You can hold me but you can't hold what's within  
Pull me 'round  
Push me to the limit, maybe I may bend

But we both know I'm not going  
I will not be broken  
I will not be broken

I will not be broken  
I will not be, no no baby
