Rainy night, I'm all alone
Sittin' here waitin' for your voice on the phone
Fever turns to cold, cold sweat
Thinkin' about the things we ain't done yet

Tell me now, I've got to know do you feel the same?
Do you just light up at the mention of my name?

Don't worry, baby, ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin', baby, feel like I do
That's just love sneakin' up on you

Nowhere on earth for your heart to hide
Once love comes sneakin' up on your blindside
And might as well try to stop the rain
Stand in the tracks of a runaway train

Just can't fight it when a thing is meant to be
Come on let's finish what you started with me

Don't worry, baby, ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin', baby, feel like I do
That's just love sneakin' up on you

Don't worry, baby, ain't nothin' new
That's just love sneakin' up on you
Whole world's shakin', feel like I do
That's just love sneakin' up on you
