Rainy night, I'm all alone
Sittin' here waitin' for your voice on the phone
Fever turns to cold, cold sweat
Thinkin' about things we ain't done yet

Tell me now, I've got to know, do you feel the same?
Do you just light up at the mention of my name?

Don't worry baby, it ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin' and you feel like I do
That's just love sneakin' up on you

Nowhere on earth for your heart to hide
Once love comes sneakin' upon your blindside
And you might as well try to stop the rain
Or stand in the tracks of a runaway train

You just can't fight it when a thing is meant to be
So come on let's finish what you started with me

Don't worry baby, it ain't nothin' new
That's just love sneakin' up on you
If your whole world's shakin' and you feel like I do
That's just love sneakin' up on you
