I guess you got me in a sentimental mood  
Never that I'd feel this way again  
Lyn' here with my dreams  
I get so lonely thinking of you

[Chorus:]  
River of Tears  
Oceans of heartbreak  
I want to feel  
What your love can be  
I close my eyes

Chances that I take  
Got me so blind  
Til I can't see  
I never let you know just what's been on my mind  
Never that I'd hurt so bad for you lovin' this long  
Lyn' here at nite alone  
I keep on wonderin' just what went wrong

[Chorus]

River of Tears  
River of Tears

[Chorus]
