Sometimes I lie awake at night  
And wonder  
Where my life will lead me  
Waiting to pass under  
Sleep's dark and silent gate

I found my love today  
Runnin' round day after day  
Lookin' for the time to play  
While my old friends  
They slipped away

Never should've had to try so hard  
To make a love work out, I guess  
I don't know what love has got to do  
With happiness

But the times when we were happy  
Were the times we'd never tried

Sittin' down by the highway  
I don't know where I been  
I don't know where I'm going  
Oh, God this is some kind of shape I'm in  
When the only thing that makes me cry  
Is the kindness in my baby's eyes

[Guitar break]

Sometimes I lie awake at night  
And wonder  
Where the years have gone  
They have all passed under  
Sleep's dark and silent gate  
I've found my love today  
I've found my love today  
I've found my love today  
Don't know where I'm goin'  
Don't know where I been  
(I found my love)  
Oooooo, I found my love

I found my love today.
